

# Re-Enrollment Process

## **#1 – When is Re-Enrollment season?**

For the 2022-2023 school year, re-enrollment will be February 1-28, 2022.

## **#2 – How do I apply for Re-Enrollment?**

Your student's campus will issue a re-enrollment form to them.

## **#3 – What is the difference between Re-Enrollment and Open Enrollment?**

Re-enrollment is intended for current ECI Academy students planning to stay at their current campus the following school year. Open Enrollment is for new students.

## **#4 – If a student plans to stay at the same school next year, are they automatically guaranteed re-enrollment if they complete the re-enrollment process before the deadline?**

Yes, so long as their family completes the re-enrollment process.

## **#5 – What happens if a parent does not submit their re-enrollment information before the deadline?**

If a parent misses the deadline to complete the re-enrollment process, then the student will lose his/her reserved space for next school year and must apply during Open Enrollment, which begins on March 1<sup>st</sup>.

## Re-Enrollment Process

**#6 – What does a ECI Academy parent need to do if they would like to stay with ECI Academy, but transfer to a different campus for the next school year?**

If a parent would like to change ECI Academy campuses for the following school year, they must submit an application to the desired campus.
